Purpose of this form

This process is being used to gauge interest in conducting courses in Passive Fire Protection in each State. Returning this form to Accredifire does not commit you to any formal obligations in terms of course participation. It provides Accredifire with assistance in identifying the level of interest in conducting training courses in a particular state. When held, training courses will be limited to 22 delegates and places will be offered to potential participants based on them having registered an expression of interest with this form.
